and Excellence.**

**One of the largest
PVC resin
manufacturers in
India.**

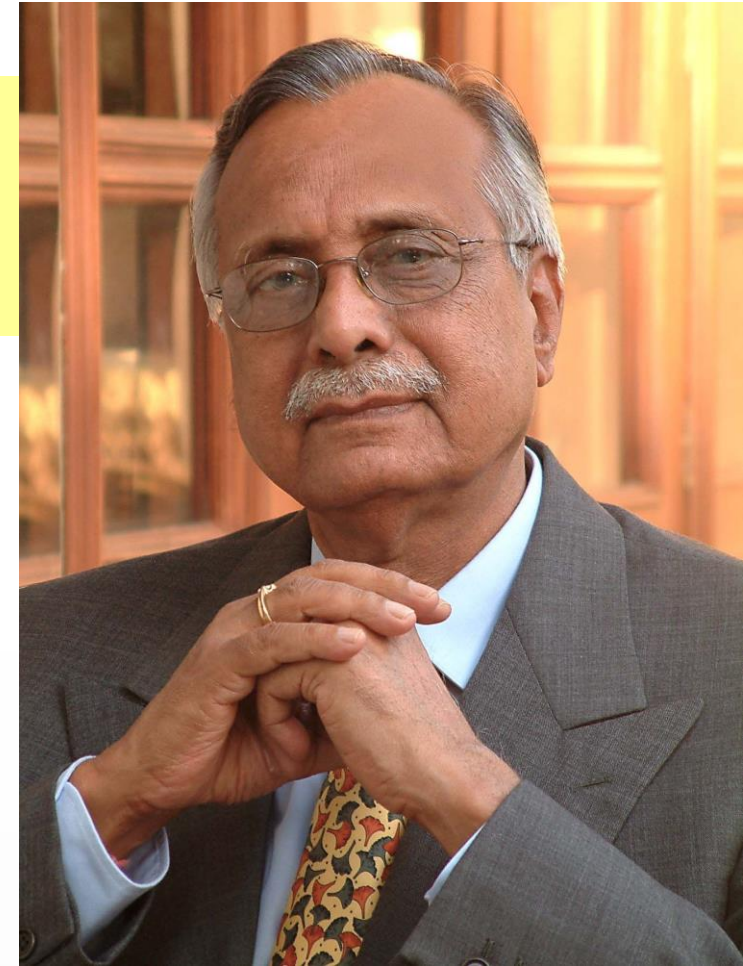

42 Years of Leadership

"I leave behind my foundation of discipline, uncompromising product quality, a commitment to technological advancements, and the highest quality of manufacturing facilities. One must always strive to grow; but with quality in mind and sincerity in heart"

Shri Pralhad P. Chhabria established the Finolex Group of companies in 1958 and over the years built it into a well-known conglomerate. With an emphasis on quality, constant learning, and pushing for excellence, he is the person that has made Finolex the fine and flexible company that it is today. And he did this, not by himself, but by bringing people together.

He continues to live in our midst through the values we have imbibed from him such as Humility and an ability to focus on the basics.

Late Shri Pralhad P Chhabria

Founder, Finolex Industries Ltd

Our Journey So Far

FINOLEX PIPES

FIL pioneered the concept of 'Ringfit' pressure pipes.

FIL became India's first manufacturer of PVC pipes and fittings to be awarded the **ISO 9001: 2000 certification**.

PVC Pipes and PVC Resin plants at Ratnagiri were awarded the **ISO14001** certificate for Environment Management Systems

Established a state-of-the-art unit for manufacturing **agricultural pipes and casing pipes** at Urse, Pune, with a capacity of 28,000 MT p.a.

Installed capacity of pipes increased to **3,70,000 MT p.a.**
Stepped up CSR efforts during the Covid pandemic

Finolex Industries Limited (FIL) was incorporated, with a manufacturing plant in Pune.

FIL set up a state-of-the-art 130,000 MT capacity **PVC Resin** plant near Ratnagiri in technical collaboration with **Uhde GmbH** of Germany and under technology license from **Hoechst AG**.

Started manufacturing **PVC pipes** at Ratnagiri and introduced **ASTM Pipes**.

FIL proudly celebrated **25 years** of its success
PVC Resin capacity was expanded from 1,30,000 MT to 2,60,000 MT.
Introduced **Underground Sewerage Pipes** as per IS: 15328 – 2003.
Introduced **Lead-Free Plumbing pipes** as per ASTM Standards.

FIL started a new manufacturing plant at **Masar**, near Vadodara in Gujarat.
EPVC capacity increased from 10,000 MT to 20,000 MT p.a.

Contribution to Swachh Bharat Kosh Clean Ganga Fund

Animal Welfare

CSR Journey

- Mission Cerebral Palsy started in 2015 with 313 children in Satara, which soon grew to 536.
- Started in Ratnagiri on the request of its CEO with therapies starting in 2 houses at the Finolex Industries Colony. Here, our number of enrolled children grew to over 1,000.

- 'Give with Dignity' program initiated, over 3 lakh people from 26 states benefited from this program.
- Relief efforts in motion for Cyclone Amphan and Nisarga
- Started COVID-19 support with helping hospitals and migrant workers with hot meals, rations, and much more.

- MMF collaborated with Madha Welfare Foundation for construction of Central Agriculture Testing Laboratory in Solapur.
- In Rede, working since 2017 by deepening and widening of stream, creating a cement dam & repair of two dams

- MMF officially became the CSR partner for Finolex Industries Ltd. extending our social impact into sectors like sanitation, water conservation, social welfare, and more.

- Started working with Kherwadi Social Welfare Association towards making villages in the Palghar region open defecation free.
- MMF created a 59-bed NICU in Sassoon General Hospital.
- More than 6,000 babies have been treated there.

'Give with Dignity' impacted 10,000 families in 10 states with the distribution of dry rations, diyas and hygiene kits.
-Extensive support for front line workers and vulnerable communities in COVID second wave.
-Distributed oxygen concentrators and oxygen tanks to hospitals and healthcare centres in rural interiors of 11 states.
