33rd ANNUAL REPORT 2013-14

Finolex Industries Limited

Paani ko apni manzil tak pahunchaye

Chairman's Message

Dear Shareholders,

Your Company continues to march forward on its projected growth path. We have seen a strong increase in both turnover and profitability. In fact, sales and profit are at an all-time high.

The steps taken by your Company to increase production capacities are paying rich dividends, and your Company is poised to take advantage of the increasing demand for its products in the coming years.

Your Company continues to maintain its number one position in the PVC pipes industry. We are undertaking various initiatives to further strengthen Brand Finolex. One of the Company's greatest strengths is its pan India network of distributors and retailers. We are taking further steps to aggressively grow in East India and North-East India. As a first step, your Company has established a large dedicated warehouse at Cuttack in the state of Odisha.

We have also increased our commitment to CSR activities. We have a social conscience, and will continue in our attempts to improve the standard of living for the under privileged in our vicinity. We hope to extend this aid in time throughout the country.

I am confident that your Company will continue to grow at a substantial rate in the coming years.

The Board joins me in expressing our deep appreciation to the employees and the management team for their hard-work and valued contribution during 2013-14.

With warm regards,

Prakash P. Chhabria Executive Chairman

Management discussion and analysis

Introduction

In the year under review, your Company has seen a continued growth in its performance. Your Company has 3 major areas of business - PVC pipes & fittings, PVC resin and Power.

Financial review

Your Company has further improved its profitability during the year under review. Profit before tax for the year has increased by 27% from ₹ 190 crore to ₹ 242 crore while net profit after tax increased by 25% from ₹ 136 crore to ₹ 170 crore. The turnover has increased by 13.45% from ₹ 2,145 crore to ₹ 2,453 crore.

Outlook for the Company

PVC pipes and fittings division:

Your Company, which was incorporated in 1981, continues to maintain its number one ranking across the PVC pipes and fittings industry in India.

Since the predominant material used to transport water during those early days was metal and concrete, the initial years of your Company were spent in developing and building the market for PVC pipes and fittings. Your Company was instrumental in convincing end users that PVC is a better material for water transportation, and superior to metal or concrete for the following reasons:

- a) PVC has better flow characteristics as compared to galvanized iron or cement pipes
- b) PVC is corrosion free
- c) PVC is easy to install
- d) Transportation of PVC is easier because of its low weight per metre.

Over the years, your Company has successfully established the concept of PVC pipes and fittings as the preferred material for water transportation and has also built and grown Brand 'Finolex' as the Number One brand name in the PVC pipes and fittings industry. The brand has been built, by your company,through a sustained focus on high quality products, and deep market penetration in rural areas. To achieve this, your Company undertakes various branding activities such as organizing farmer meets, plumber meets, participating in village fairs, participating in industrial and agricultural exhibitions etc.as well as TV advertisements. Your Company has always recognized the tremendous importance of PVC pipes in the life of a typical Indian farmer. In fact, it believes that the pipeline, which brings water to the fields, is in a true sense, the farmer's "lifeline". Your Company therefore believes in consistently providing consumers with high quality products that ensure trouble free service for decades.

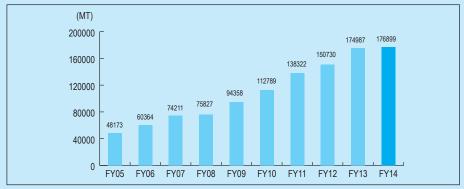

Finolex Farmers' workshop in progress

Finolex Plumbers workshop in progress

Your Company enjoys a high level of trust from its customers, spread across the length and breadth of India. Finolex products are sold through a network of more than 15,000 dealers, sub-dealers and retailers. Your Company continuously invests in the expansion of PVC pipes & fittings.

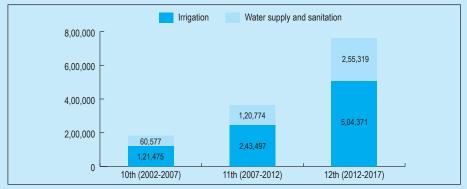

The sales volume growth of PVC pipes and fittings during the year under review was less than expected because of an extended monsoon. Whereas, in value, it was up by 13.45%. Agricultural pipes are by necessity laid underground and the activity of digging trenches slows down considerably during the monsoon. During the year under review, many parts of Western and Southern India witnessed heavy rains and hailstorms as late as February 2014. This had a dampening effect on the sales during the quarter January to March 2014, which is traditionally the peak season for your Company's products. Despite the slowdown in the last quarter of the year under review, your Company has seen an increase in demand towards the end of the rainy season and now expects a healthy growth in the sale of pipes and fittings over the forthcoming quarters.

As per NCAER estimates, the annual size of the rural market for agri inputs is in excess of ₹45,000 crore. PVC pipes and fittings are an important part of agri inputs. It is estimated that about 14% of rural income is spent on agri inputs.

As per the statistics, only about 43% of the land under cultivation in India has access to irrigation. This means that more than half of India's agriculture still depends on the monsoon. Successive governments have allocated large funds to increase the reach of irrigation.

Government spending in 5-Year plans

An increase in disposable income in rural India and a continued focus by the Government to increase irrigation coverage in the country augurs well for the demand of your Company's products. Your Company has experienced that the demand for PVC pipes and fittings is acyclical in nature. A good monsoon implies better purchasing power for the farmer, thereby resulting in a high demand for pipes. Similarly, a poor monsoon requires the farmer to source water from farther distances, thereby also increasing the demand for pipes.

Furthermore, the area under irrigation in India is abysmally low and the potential for irrigation is so large that your Company does not expect any structural drop in demand in the foreseeable future. Your Company has therefore seen a CAGR of more than 15% over the last ten years, and expects this trend to continue in the years to come.

In the non-agricultural sector, PVC pipes are seen to be fast replacing traditional plumbing material such as galvanized iron (GI). Accordingly, your Company has also been focusing on leveraging its distribution strength, by targeting the rising demand for pipes and fittings in the non-agricultural sector, in tier two and tier three cities.

Your Company believes that this strategy shields its sales from recessionary trends, in residential and commercial sectors in the metros. Your Company expects a steady growth in the non-agricultural sector of the market.

Within the domestic construction market, the tier II and tier III cities offer potential growth as they are less penetrated. Moreover, there is a rapid transition from traditional plumbing material like metal to PVC Pipes and fittings.

Your Company has set up ultramodern and highly efficient plants in three key locations: Pune and Ratnagiri in Maharashtra and Masar in Gujarat. Additionally, with its increased focus on the fittings business, your Company has set up a 1,30,000 sq. ft. state-of-the-art warehouse dedicated exclusively to fittings, at Chinchwad, Pune. Your Company is poised to achieve significantly higher volumes in fittings, by streamlining its distribution channels and by increasing its reach across India.

PVC pipes factory at Masar, Gujarat

PVC pipes and fittings are primarily sold in two market segments i.e. Agriculture and Construction, with your Company's focus being in the agriculture segment. Your Company is arguably the only PVC pipes manufacturer in the country which sells its products pan India, entirely against advance payments. Your Company continues to focus on increasing its reach across various states within India. With the intention of spreading operations to East India and North East India, your Company has recently also set up an ultramodern, fully equipped pipes and fittings warehouse at Cuttack in Odisha, and in the coming years, your Company expects to become a dominant player in the North East market of India. With the Masar facility in Gujarat being fully operational, your Company is now in a position to supply products to the North Indian market very efficiently. Your Company has continued to steadily grow in this market, and has increased its capacity at Masar from 30,000 MTs p.a. to 50,000 MTs p.a. Auring the year under review. The total capacity of PVC pipes now stands at 2,30,000 MTs p.a. Your Company has the necessary infrastructure to increase the capacity by another 1,00,000 MTs at a marginal incremental capex.

Your Company has also added a new category of pipes called Column pipes, to its portfolio. Column pipes are suitable for submersible pumps which are used to draw water from bore wells. The product has already been well received in the market and your Company is increasing the capacity to meet the growing demand.

PVC Resin division:

Your Company is the only PVC pipes manufacturer in India which is backward integrated in the production of PVC resin. Your Company's state-of-the-art PVC resin manufacturing facility was commissioned in 1994 in technical collaboration with Uhde GmbH of Germany and a licensed technology from Hoechst AG. The initial capacity of PVC resin was 1,30,000 MTs p.a. which was enhanced to 2,60,000 MTs p.a. in the year 2006, of which 2,50,000 MTs p.a. comprised of Suspension PVC and 10,000 MT p.a. of Emulsion PVC. The Emulsion PVC capacity was further increased to 22,000 MTs p.a. in FY 2013.

The backward integration of PVC resin gives your Company the unique advantage of a consistent quality of raw material at a lower cost, than the prevailing import parity of PVC resin.

Certain recent developments in the global petrochemical market are likely to benefit your Company, particularly in the PVC resin division.

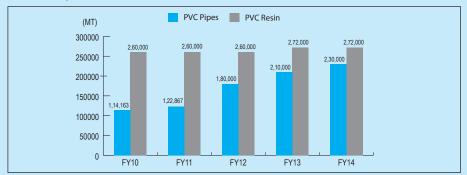

In recent years, the natural gas industry in the United States has witnessed a revolution, with the development of shale gas extraction. The shale gas boom is likely to have an unprecedented effect on the US energy market and this in turn will have important implications on the prices of many downstream products like Ethylene. Market trends indicate that a huge capacity of Ethylene is likely to be added to the US market in the coming years, which in turn will help bring down raw material costs for your Company.

Another global development that your Company is likely to benefit from is the growth in the Ethylene Di-Chloride (EDC) capacity. It is expected that almost 2.8 million MTs of new EDC capacity will come up globally between 2013 and 2017. EDC being a globally traded material, this new capacity is expected to aid in lowering the price of EDC. Your Company is watching the developments with optimism.

Business outlook:

The domestic demand for PVC resin has grown by almost 3% during the year under review. However, the domestic production capacity has not seen a significant increase, due to which the gap between demand and supply has grown further during the year under review, to 1.05 million MTs p.a. During the year under review, your Company produced 2,38,659 MTs of Suspension Grade PVC resin. Captive consumption of PVC resin for making pipes during the year was 1,66,168 Mts. Your Company expects its captive consumption to continue to grow, making it increasingly less dependent on the market for PVC resin. This has resulted in your Company steadily moving away from a B2B business model of PVC resin to a B2C business of PVC pipes and fittings. Your Company believes that this transition will help achieve a better control on margins.

Installed capacities

Power plant

Your Company has set up a 43 MW power plant at Ratnagiri in order to provide uninterrupted, high quality power to its production facility there. Generating power from this plant has resulted in substantial savings for your Company, as compared to the cost of purchasing power from the grid. Exclusive and better quality power has also led to improved productivity of the plant.

Your Company has also started consuming captive power at its plant in Pune, during the year under review. The power plant is designed to take care of future power requirements of your Company, and expansion in capacities. Currently, the surplus power generated at the plants is sold to the grid. However, your Company is now focusing on producing sufficient power for its own captive requirement.

Risks and concerns

Your Company has a well-documented risk management policy in place. This policy is reviewed by the management periodically and modified appropriately wherever necessary. One of the risks which is inherent to the nature of your Company's business is the volatility of foreign exchange rates and prices of raw material, caused by major global developments.

In order to bring down the amount of foreign exchange exposure, your Company has started availing buyers' credit of 90 to 120 days instead of a credit of up to 360 days which was the practice earlier. Additionally, your Company has started hedging a major portion of its foreign exchange exposure, thereby bringing down the volatility caused by wide fluctuations in foreign exchange rates.

The prices of crude oil and its derivatives have had an additional impact on the pricing of your Company's products. Your Company continues to import its main raw materials namely EDC, Ethylene, VCM and Coal.

The surplus cash generated during the course of business is invested with banks/mutual funds from time to time. The detailed guidelines for such investments have been laid down by the Finance Committee of the Board of Directors and these are reviewed on a regular basis.

Your Company continues to accord the highest priority for safety in all of its operations. All manufacturing facilities and processes are subject to regular inspections. Safety audits are carried out regularly, and preventive measures are taken to ensure high standards of safety. Your Company has successfully completed 3.29 million man-hours without any reportable accidents at its PVC resin plant at Ratnagiri.

All plants have been adequately insured, and third party liabilities have been accounted for.

Transparency in sharing information

Transparency refers to sharing information and acting in an open manner. Processes, instructions and information are directly accessible to those concerned with them, and enough information is provided to understand and monitor them. Your Company believes in total transparency in sharing information about its business operations with all its stake holders. Your Company strives to provide maximum possible information in the Management Discussion and Analysis which are a part of the Annual Report. In order to keep stake holders informed of our business performance we will adopt other means, as and when required.

Internal control systems

The Company has put in place adequate internal control procedures, proportionate to the nature of its business and the size of its operations for the smooth conduct of its businesses.

Internal audits are conducted at regular intervals at all the plants and cover key areas of operations. These audits are independent, objective and responsible for evaluating and improving the effectiveness of risk management, control and governance processes.

An Audit Committee consisting of five independent non-executive directors, monitors the performance of the internal audits. This is conducted on a periodical basis through a review of the audit plans, audit findings and promptness of issue resolution through follow-ups.

Human resources

Your Company's industrial relations continue to be harmonious during the year under review. Your Company has increased its focus on training and development and has recruited the services of a reputed management education institute to impart training at every level within the Organization. A team of selected middle level executives have been identified as potential future leaders. A structured leadership development program has been implemented, in order to develop their abilities to take on larger responsibilities in the coming years. Additionally, a detailed program of activities has been laid out, to ensure that each and every employee of the Company undergoes training for a minimum stipulated number of man-days every year. Your Company believes that this initiative of developing employee strength of your Company currently stands at 1,104.

Cautionary statement

Estimates and expectations stated in this Management Discussion and Analysis may be a "forward-looking statement" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expected or implied. Important factors that could make a difference to your Company's operations include economic conditions affecting demand/ supply, price conditions in the domestic and international markets, and changes in Government regulations, tax laws, other statutes and other incidental factors.

Directors' report

To the members,

Your directors have pleasure in presenting the thirty-third annual report together with the audited accounts for the year ended 31st March, 2014.

Financial results		2013-14	(₹ in lakhs) 2012-13

Dividend

Your directors have recommended dividend on equity shares @ 70% (₹ 7.00 per equity share) for the financial year ended 31st March, 2014. The proposed dividend (including corporate dividend tax) will absorb ₹ 10,162.97 lakhs.

Corporate governance

Pursuant to clause 49 of the listing agreements entered into with the stock exchanges, a separate section on corporate governance and a certificate obtained from the auditors of the Company regarding compliance with the conditions of corporate governance are forming part of this annual report.

Employee stock option scheme

During the year under review, your Company has not issued any stock options.

Management discussion and analysis

Pursuant to clause 49 of the listing agreements entered into with stock exchanges, the management discussion and analysis report of the financial condition and results of operations have been reviewed by the audit committee and the same is forming a part of this annual report.

Fixed deposits

Your Company has not accepted any fixed deposits during the year.

Directors' responsibility statement

Pursuant to section 217(2AA) of the Companies Act, 1956, your directors, on the basis of information and documents made available to them, confirm that:

- (i) in the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;
- the directors have selected such accounting policies and applied them consistently and made judgements and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at 31st March, 2014 and of the profit of the Company for the year ended on that date;
- (iii) the directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 1956 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities; and
- (iv) the directors have prepared the annual accounts on a "going concern" basis.

Energy conservation, technology absorption and foreign exchange earnings and outgo

Information on conservation of energy, technology absorption, foreign exchange earnings and outgo required to be given pursuant to section 217(1)(e) of the Companies Act, 1956 read together with the Companies (Disclosure of Particulars in the Report of the Board of Directors) Rules, 1988 is annexed hereto and forms part of this report.

Directors:

Appointment and retirement of directors

Pursuant to the provisions of sections 149, 150, 152 and any other applicable provisions of the Companies Act, 2013 and Rules made thereunder read with schedule IV to the Companies Act, 2013, 6 (six) non-executive independent directors of the Company, namely Mr. Sanjay K. Asher, Mr. Kanaiyalal N. Atmaramani, Mr. Dara N. Damania, Mr. Shrikrishna N. Inamdar, Mr. Prabhakar D. Karandikar and Dr. Sunil U. Pathak are proposed to be appointed as independent directors to hold office for 5 (five) consecutive years with effect from the date of thirty third annual general meeting of the Company.

The Company has received declarations in writing from all the above directors that they meet the criteria of independence as provided in sub-section (6) of section 149 of the Companies Act, 2013 and under clause 49 of the listing agreement.

Mr. Sanjay S. Math, Director (Operations), retires by rotation and being eligible, offers himself for the reappointment.

Mr. Panyam Subramaniam resigned as Assistant Managing Director of the Company effective from the close of business hours of 4th June, 2013.

Auditors

M/s.P.G.Bhagwat, Chartered Accountants, Pune, retire as auditors of your Company at the conclusion of the thirty-third annual general meeting and are eligible for reappointment in terms of section 139 of the Companies Act, 2013.

Appointment of cost auditors

The Board of Directors at its meeting held on 12th May, 2014 has reappointed M/s. S. R. Bhargave & Co. as cost auditors for carrying out audit of cost accounting records in respect of electricity and organic and inorganic chemicals falling under chapter 39 of the Central Excise Tariff Act, 1985 (PVC resin and PVC pipes & fittings) for the financial year ending 31st March, 2015.

Particulars of employees

Information as per section 217 (2A) of the Companies Act, 1956 (the "Act") read with the rules framed thereunder forms a part of this report. However, as per the advice received by the Company, pursuant to the provisions of section 219(1)(b)(iv) of the Act, the report and accounts are being sent to the shareholders of the Company excluding the statement of particulars of employees under section 217(2A) of the Act. Any shareholder interested in obtaining a copy of the statement may write to the Company Secretary at the registered office of the Company.

Corporate social responsibility (CSR)

As a responsible corporate citizen, your Company actively contributes to the social and economic development of the communities in and around the plants' locations. Your Company and Mukul Madhav Foundation (MMF), a charitable trust have partnered in this journey. For many years, we

have been actively contributing to the social and economic development of the underprivileged in the villages, in and around your Company's plants, situated at Ratnagiri in the state of Maharashtra and Masar in the state of Gujarat. Special focus has been placed on education, health care, community development, environment and self-development. Some of the activities undertaken by your Company and MMF are as follows:-

1. Education

Mukul Madhav Vidyalaya – A school with a difference

Working in and around the villages of Ratnagiri, your Company saw a desperate need for rural up-liftment in education. In 2008, your Company gave on lease 10 acres of land to MMF for the establishment of a school on the outskirts of Ratnagiri. Mukul Madhav Vidyalaya was established in 2010 to provide English education at a nominal cost with a preference to socially and economically underprivileged children. It began in 2010 with 150 students, the school now boasts over 480 students. These students are the first generation of farmers' and fishermen's children to get an English education. In order to meet the day-to-day requirements of the school children, MMF has developed the infrastructure of Mukul Madhav Vidyalaya.

The school is equipped with computers, LCD screens and a selection of books in the library, enabling the outside world to enter the school. The teachers undergo regular training programmes, to ensure that their skills are up to date.

Our CSR activities at Masar, a village in the State of Gujarat, are still in the initial stages. We recently started extending financial assistance and support to two schools, Prathamik School and Girdhar Vidhyalaya. Both these schools are located very close to your Company's plant.

Your Company has provided benches and desks, teacher's tables, and computers so that the students can engage in online activities. In order to encourage the students in their education, your Company has awarded prizes to the toppers in the academic results.

Scholarships / Educational assistance

MMF provides financial assistance to deserving students, so that they can pursue higher education in the fields of engineering, architecture and doctorate programmes. The foundation has set up fellowships for resident doctors at reputed hospitals. Doctors studying for their post graduation are eligible to avail of this fellowship programme. These resident doctors are trained under experienced doctors based in these hospitals. The trained doctors are entitled to additional financial help, should they need it.

2. Health care

Work with hospitals

MMF is associated with a number of hospitals primarily in Maharashtra and reaching out slowly to other parts of India, MMF depends upon referrals from social workers. The social workers verify each case to ascertain fund requirements and follow up to see that the patient receives the necessary care and sufficient assistance even after the discharge.

Association with reputed hospitals

MMF has been associated with reputed hospitals since the turn of the century. MMF is engaged in this activity with the sole objective of modernizing and improving the quality of medical treatment provided to children and women. In the year 2000, MMF set up a Neo-Natal Intensive Care Unit. In 2001, a Neo-Natal Ward was established at KEM, a reputed Hospital in Pune. During the same year, the foundation also opened a Paediatric Intensive Care Unit, a Children's Ward and an OPD, all at KEM hospital.

In 2012, MMF donated a wing "SONALI". The little stars rooms consists of 6 beds and life saving equipment in the NICU ward at KEM. The purpose of this wing is to allow the underprivileged to avail quality medical care at a concessional cost.

In order to create public awareness about a healthy lifestyle, MMF has sponsored an event called Bhag Pune Bhag – a Marathon which was held in October 2013, which was organized by Prashanti Cancer Care Mission.

Free medical camps for children

Since 2008, MMF has been conducting free bi-annual medical health camps in Government schools in and around Ratnagiri. At each camp, dentists, ophthalmic and general physicians screen around three thousand students. Doctors and specialists from prominent hospitals viz. KEM Hospital, Pune, Bharati Vidyapeeth school of Audiology, Bharati Vidyapeeth Dental College and H.V.Desai Eye Hospital are participating in these camps. Medical cards are maintained to monitor the students progress. MMF provides additional medical treatment to those students who require it.

As usual, during December, 2013, your Company and MMF conducted health check up camps for school children and women in villages situated near your Company's plant at Ratnagiri. Taking this a step forward, during the month of February, 2014, MMF organised similar health-camps for children in the slum areas of Pune and the municipal schools of Panchgani.

Free cancer detection camps for women & set-up of women's well-being clinic

To sensitize and create public awareness about breast and cervical cancer, MMF in association with a reputed Pune based NGO, "Prashanti Cancer Care Mission" organized a unique program called 'Cancer Diagnosis at Your Doorstep'. This camp was conducted in December 2013 for rural women from and around Ratnagiri and in March 2014 for women living in the slum areas of Pune.

Two Cancer detection tests were carried out under the observation of qualified doctors, a counselor and trained technicians. A mobile van which was equipped with all the required machinery was used to conduct this initiative.

To take that additional step forward in the direction of providing quality health care services to underprivileged women, on 8th March, 2014, International Women's Day, 'The Finolex Women's Well Being Clinic' was inaugurated at Ratnagiri. The services which will be provided at this well-being clinic are mammography and colposcopy tests. Your Company extended financial assistance to MMF to buy and donate a mammography machine and a

colposcope machine to the clinic. While taking care of the requirements of the clinic, MMF also extended help to other hospitals. Your Company provided financial assistance to MMF to buy a C Arm machine and donate the same to a reputed hospital at Delhi.

Ruby Hall Clinic, Pune & Healing Little Hearts, UK

MMF's most recent venture is in collaboration with Healing Little Hearts (HLH), a registered charity in Leicester, UK and Grant Medical Foundation's Ruby Hall Clinic, Pune. Together, MMF brings in specialist medical teams from the UK to Pune to stand-in, guide and train the in-house doctors at Ruby Hall Clinic, during complex heart procedures. This team is made up of paediatricians, nurses and intensivists from the University Hospitals of Leicester, Alder Hey Children's Hospital, Liverpool Children's Hospital and other institutions. Doctors who wish to participate in this programme were requested to register with HLH.

Currently, children in India with heart problems either do not get the surgical treatment required, or the doctors do not have the expertise to either operate on them (as in the case of underweight babies) or to care for them following the surgery. This results in extremely high mortality rates. The vision for this project is to help alleviate this scenario in India.

Members of Healing Little Hearts give their time to come to India in support of this worthy cause without any financial remuneration. These surgeons specialize in operating on new-born babies suffering with heart diseases.

Health care facilities at Masar

Your Company has taken further steps in CSR and has ventured into Masar, Gujarat. We have constructed a toilet block for female students at Girdhar Vidhayalaya, Masar.

3. Community development

In order to take a small step to solve the drinking water problem faced by villagers, your Company continued to implement drinking water supply schemes in the adjoining areas of Golap, with the help of Gram Panchayats of the respective villages. Your Company, under "Rashtriya Gramin Peyajal Yojana" helped the Gram Panchayats of Kolambe, Bhatye and Phansop villages. Until these schemes were implemented, your Company organized a water supply to the villages from a well, by providing pumps, a pipeline and water tanks. While taking care of the water shortage, your Company also extended financial help to the Gram Panchayats for payment of repair charges, electricity bills etc. in respect of the existing water supply schemes.

Further more, as a part of its CSR activities, your Company has undertaken a project to make potable water available to the villagers. Accordingly, a Water Filteration Unit has been installed on one of the wells at Bhatye village which has been a great help to the villagers.

And finally, at Masar in Gujarat State, your Company offered financial assistance to the village Grampanchayat Committee to celebrate Navratri in a grand fashion.

4. Environment & safety initiatives

Your Company is committed to achieve the highest standards of environmental excellence by adopting environmentally sustainable and effective operating systems and processes in its plants. At Ratnagiri, your Company has put in place the internationally acclaimed Environment Management System under ISO14001. Your Company fully complies with all applicable environmental regulations in respect of air, water, noise, hazardous waste, e-waste etc. to mitigate the potential environmental impact on the society. The Executive Committee of "Frost & Sullivan's Green Manufacturing Excellence Awards 2014" has awarded a "Certificate of Merit - Believers Category" to our Golap, Ratnagiri plant.

Your Company's manufacturing plants are well equipped with the latest fire safety equipment. In addition, your Company's PVC manufacturing plant at Ratnagiri has a put in place a fully pledged and well equipped fire safety dept. The plant has its own fire fighters who are capable of performing fire and rescue services at par with the Ratnagiri Municipal Council's fire department. Fire fighters are sent on fire calls in villages/communities nearby as well Ratnagiri city and industries around Ratnagiri. To keep the fire fighters up-to-date and alert, mock drills and fire drills are performed through-out the year as per the "On site Emergency Management Plan" with the participation of all key personnel at the factory alongwith nearby schools and other establishments, for the benefit of the public at large. Your Company believes this is an excellent example of "Service Beyond Self". Your Company won the Bonze Trophy in the National Safety Council Awards Competition 2013 for the Company's PVC manufacturing plant situated at Ratnagiri.

Prevention of air pollution

Your Company has installed processes to comply with the requirement of the National Ambient Air Quality Standards. All 12 parameters including particulate matters, sulfur dioxide and oxides of nitrogen are analyzed as per the standards. All stack emissions are also regularly monitored and the flue gas quality is under control as per the specifications laid down by pollution control board.

Zero effluent discharge

As part of its endeavor to keep the environment and water bodies around its plants at Ratnagiri, free from contaminants and pollution, your Company has successfully achieved its goal for zero discharge. This has been achieved by recycling it back into the system. The remainder has been used for irrigation purposes. Trees and plants within the premises have benefitted from this process. The ground water quality is regularly monitored by sampling and analyzing the bore well water.

Effluent treatment plant

The aqueous effluent generated during the process of manufacturing PVC undergoes various treatments in your Company's world class effluent treatment plants. These treatments include, equalization, flocculation, floc separation, aeration activated sludge process, clarification, polishing using activated carbon filter etc. The treated effluent is checked every day to ensure that it meets with MPCB specifications.

Effluent recycle plant

Part of the treated effluent undergoes further treatment in an effluent recycle plant. The treatments include, biological treatment, phosphate removal, ultra filtration and demineralization process for recycling it in the plant operations.

Tree plantation

The remaining treated effluent fit for irrigation is used for the trees planted on the factory premises. Your Company has planted and nurtured close to 49,000 different kinds of trees including fruit bearing trees such as mangoes, chikoo, cashew, coconut etc. within the PVC manufacturing plant and the captive power plant premises. The tree plantation activity is carried out annually during the week-long celebrations of World Environment Day commencing on 5th of June every year.

Rain water harvesting

Your Company has built two large reservoirs which help to collect rain water from nearby lands. These reservoirs are filled by pumping water from a dam. The dam has also helped in bringing up the ground water table within the vicinity.

5. Cultural and other activities

Your Company extends financial help to the local communities in promoting their cultural, religious, social and spiritual pursuits irrespective of caste, creed, religion to celebrate festivals and felicitations, hold exhibitions, seminars, musical concerts, blood donation camps etc.

Acknowledgements

Your directors take this opportunity to place on record their sense of gratitude to the banks, financial institutions, central and state government departments and their local authorities for their guidance and support. Your directors are also grateful to the customers, suppliers and business associates of the Company for their continued co-operation and support. Your directors express their deep appreciation for the commitment, dedication and hard work put in by the employees at all levels. Lastly, your directors are grateful for the confidence and faith shown in them by the members of the Company.

Pune 12th May, 2014 Prakash P. Chhabria Executive Chairman

ANNEXURE TO DIRECTORS' REPORT 2013 - 2014

Particulars required under the Companies (Disclosure of Particulars in the Report of Directors) Rules, 1988

- A CONSERVATION OF ENERGY
- a) Energy conservation measures taken: VCM PVC CPP Plant
 - A multistage centrifugal pump installed to replace a high head low capacity energy intensive centrifugal pump P-1407 achieving 35 kw/hr. power saving.
 - Installation of additional condenser in HCl column overhead system in VCM plant has resulted in stoppage of one refrigeration compressor of 210 kw/hr.
 - Dispersion Agent batch preparation vessels' D-4201A/B agitators replaced with energy efficient design. Energy saving achieved is 8 kw/hr.
 - Operation of pumps P-5303 A/B for waste water transfer from Unit 53 pit to ETP modified on level control. Energy saving achieved is 6 kw/hr.
 - Cooling water pump impellers Coro-coating done to achieve 3% reduction in pumping energy.
 - PX-4101 discharge header connected of WDS4 header to EPVC resulting in energy saving of around 1000 kw/Per Annum.
 - Reduction from 18% to 6% in loss of ignition (LOI) in fly ash is achieved by partial recycling of high LOI fly ash from hoppers back to boilers' furnace of power plant. This has resulted in increasing fuel efficiency from 83 to 83.5%. Additionally, it has helped in bringing about an improvement in the quality of the ash so that it can be used in cement production.
 - By proper load management, transformer at PMCC-4 kept de-energized to save no load losses. Energy conservation achieved 60 kw/day.
- b) Additional investments and proposals if any, being implemented for reduction in consumption of energy.
 - Maximization of process heat recovery in VCM high boil overhead system by converting cold DM water tank in PVC to warm DM water tank.
 - Reuse PVC plant condensate, to preheat deaerator feed DM water in power plant to reduce steam consumption and then reuse the condensate after polishing as DM water for deaerator feed water.
 - Introduction of dedicated lighting transformer for plant lighting including O&U, VCM and SPVC plants to save 700 kW / day.
- c) Impact of the measures at a) and b) above for reduction of energy consumption and consequent impact on the cost of production of goods.
 - Resulted in reduction of energy consumption, leading to a reduction in the cost of production of goods.

d) Total energy consumption and energy consumption per unit of production as per form A

Form A

(PVC Plant)

A. Power and fuel consumption:

Sr. No	Description	Units	2013-14	2012-13
1	a) Electricity			
	Purchased units for PVC resin plant	Lakhs KWh	13,366.96	1,304.94
	Total amount	₹ in lakhs	10,269.68	8,527.71
	Average rate/unit	₹/KWH	7.68	6.53
	b) Own generation			
	 Through diesel generator 			
	Unit	KWh	10,586	7,435
	Units per litre of diesel oil		1.05	3.25
	Cost/unit	₹	57.94	18.60
	ii) Through steam turbine/generator			
	Units	KWh	2,379.29	3,179.31
	Units per litre of fuel oil/gas		8,317.12	11,886.35
	Cost/units	₹	2.80	3.74
2	Coal (specify quantity and where used)			
	Total coal quantity	Metric Tons	2,12,517	2,33,944
	Total cost	₹ in lakh	8,317.12	11,886.35
	Average rate	₹/MT	3,896.22	5,080.85
3	a) Furnace oil (LSHS)			
	Quantity	Metric Tons	1,519.00	1,424.30
	Total price	₹ in lakhs	633.95	645.48
	Average rate/unit	₹/MT	41,745.29	45,319.19
	b) HSD/SKO/Naphtha			
	Quantity	Metric Tons	10,417.96	10,115.64
	Total price	₹ in lakhs	5,862.65	5,840.69
	Average rate/unit	₹/ MT	56,274.46	57,739.14
	c) LPG	Made Taxa	544.04	407
	Quantity	Metric Tons ₹ in lakhs	511.61	407 284.06
	Total price	₹ in lakns ₹/ Ton	368.80	
4	Average rate/unit	1011	72,081.12	69,749.12
4	Others /internal generation Quantity		None	None
	Total price		None	None
	Average rate/unit			
5	Total energy used in PVC manufacture	Million kcal	2,53,635	2,45,362
5	Total energy used in FVC manuacture	IVIIIIOIT KCal	2,00,000	2,40,002

B Consumption per metric ton production

PVC production	M.T.	2,54,684	SPVC+EPVC
PVC bagged	M.T.	2,55,097	SPVC+EPVC
Power	MWh	2,37,929

1	Electricity	KWh/ MT PVC	525	518
2	a) Furnace oil (LSHS)	MT/ MT PVC	0.0060	0.0056
3	b) HSD/SKO/Naphtha	MT/ MT PVC	0.040	0.040
4	c) LPG	MT/ MT PVC	0.00200	0.00161
5	d) Coal	MT/ MWH power	0.727	0.736

- B. TECHNOLOGY ABSORPTION:
- e) Efforts made in technology absorption as per Form B.

FORM B

Form for disclosure of particulars with respect to absorption.

Research and development (R&D)

- 1. Specific areas where R&D has been conducted:
 - All feed EDC storage tanks have been coated with heat insulation paint to avoid evaporation loss.
 - Addition of finned tube air cooled exchanger in cracker quench overhead system in a parallel to existing 2 bays has resulted in a reduction of pressure in the system, improving productivity by 2 tonnnes per day.
 - Provision of new gas detectors and relocation of existing gas detectors at VCL pumping station has improved the safety of the system.
 - Installation of a canister pipe around number two sea water pumps' column pipe has brought down the column pipe vibrations and resulted in less frequent breakdowns of the pumping system.
 - The replacement of MS fusion welded studs on the boiler bed coils to SS 304 fusion welded studs is expected to increase the life of bed coils from 18 months to 24 months. This will avoid additional boiler shutdowns.
 - In the switch yard, Silicon coating applied to critical insulators at some places, (approx. 80) and replacement of ceramic insulators with polymer insulators at other places (approx. 80) has avoided the corona effect and tripping, thereby improving reliability.
 - An online UPS system was installed for the control system of SPVC & EPVC expansion plants, to avoid tripping due to voltage fluctuations at 220 KV grid.
 - A large number of roof mounted air ventilators have been installed in the pipes plant to improve the work environment.

2. Benefits derived as a result of the above R&D:

- Improvement in reaction efficiencies
- Improvement in on stream time
- Conservation of base material
- Environmental protection and effluent quality improvement

3. Plan of action to be implemented:

- Installation of a permanent caustic wash system for treating imported EDC impurities.
- To reduce off spec. quality of SPVC resin during sampling in drying sections. The sampling facility will be modified to recycle flush resin 3.6 MTs p.a. back to product stream of prime quality.
- Installation of a centrifuge to concentrate phosphate sludge in effluent recycle plant. This will hopefully improve sludge handling.
- Installation of a transducer and implementation of logic to control power generation by taking a signal from power export bay to turbine governing system. This will regulate export power to MSEDCL resulting in control on the power generation system.
- Power plant turbine vibrations have been reduced from a high vibration level above 90 microns to 50 microns by retightening the foundation bolt, increasing turbine bearing rigidity with shim plate, matching and removing piping offsets. This has not only increased the turbine life, it has also lessened the continuous oil and steam leaks through the seals.
- Replacement of P4205A/B model WD300/56 pumps with model WD5000/60 completed to increase reliability during emergency conditions. A circulation loop (PCV loop) with a control valve is provided to avoid excess pressurization during short stopper (additive-1) charging to reactors.
- 20 bar demineralized water network is provided in U84 area, for critical equipment leak test.
- An arrangement for pumping anti fouling solution from the ground floor to vessels at the polymerization reactor floor avoided manual handling of the drums.
- T-9621 tank agitator upgraded, resulting in uniform lime solution thereby improving the quality of the recycled water.
- Cooling water headers of poly reactors S/CWR provided with positive isolation, to isolate cooling water and keep the jacket under inert atmosphere during long stoppages, thereby reducing corrosion.
- Inhibitor-I Antioxidant solution dosing system augmentation, by replacing existing dosing pumps to the improved LEWA pumps, to ensure and increase reliability and availability of spares.
- Hydrogen rectifier will be replaced with the latest technology rectifier to obtain process flexibility of operating the H2 plant on partial load, in case of any problem to some of the electrolytic cells.

4. Expenditure on R & D:

- a) Capital
- b) Recurring
- c) Total
- d) Total R & D expenditure (as a percentage of total) turnover

The development work is carried out by the concerned departments on an ongoing basis. The expenses and the cost of assets are grouped under the respective heads.

Technology absorption, adaptation and innovation:

- 1. Efforts, in brief, made towards technology absorption, adaptation and innovation:
 - Continuous efforts are made with an objective to achieve productivity, reduction in raw material, power and steam consumptions, reduction in product wastage and downtime for maintenance and curtailment of maintenance cost.
- 2. Benefit derived as a result of the above efforts:
 - Conservation of base material

Environmental protection and effluent quality improvement.

- 3. Imported Technology:
 - Technology imported: VCM & PVC technologies from Uhde GmbH, Germany.
 - Has technology been fully absorbed. : Yes

C. FOREIGN EXCHANGE EARNININGS AND OUTGOINGS

- (f) Activities relating to exports; initiatives taken to increase exports; development of new export markets for products and services; and export plans:
 - Due to a better realisation in the domestic market and in order to meet the domestic demand, the Company did not pursue exports during the year under review.
- (g) (a) Total foreign exchange used :₹ 1,42,675.29 lakhs
 - (b) Total foreign exchange earned : ₹ Nil

Auditors' certificate on corporate governance

To the members of FINOLEX INDUSTRIES LIMITED

We have examined the compliance of conditions of Corporate Governance by Finolex Industries Limited for the year ended on 31st March, 2014, as stipulated in clause 49 of the Listing Agreements entered into with National Stock Exchange of India Limited (NSE) and BSE Limited (BSE).

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Agreement.

We further state that such compliance is neither an assurance as to the future viability of the company nor the efficiency or effectiveness with which the management has conducted the affairs of the company.

Corporate governance

Compliance report for the year 2013-2014

1. A brief statement on Company's philosophy on code of governance:

The Company always strives to achieve optimum performance at all levels by adhering to corporate governance practices, such as:

- Fair and transparent business practices.
- Effective management control by Board.
- Adequate representation of promoter, executive and independent directors on the Board.
- Accountability for performance.
- Monitoring of executive performance by the Board.
- Compliance of laws.
- Transparent and timely disclosure of financial management information.

2. Board of directors and Board procedure:

- i. The Chairman of the Board is executive director and more than 50% of the Board comprises of non-executive independent directors.
- During 2013-2014, the Board of Directors met 5 (five) times, viz. on 4th May, 2013, 10th August, 2013, 14th September, 2013, 30th October, 2013 and 25th January, 2014. The time-gap between two meetings was less than four months.
- iii. The information as required under Annexure IA to clause 49 was made available to the Board in all its meetings.
- iv. None of the directors on the Board was a member of more than 10 committees or chairman of more than 5 committees across all the companies in which he was a director. The necessary disclosures regarding committee positions have been made by the directors.
- v. The details of attendance of each of the directors at the Board (BM), Audit Committee (ACM), Investors' Grievance Committee (IGCM) meetings and last Annual General Meeting (AGM) held during the financial year 2013-2014, and details of number of outside directorships and committee positions held by them are given in Table 1.

Table 1

* Outside directorships include directorships in private limited companies also.

** Chairmanship/membership held on audit committee and investors' grievance committee in public limited companies including the Company.

@ Mr. Panyam Subramaniam has resigned as Assistant Managing Director of the Company effective from the close of business hours of 4th June, 2013.

(vi) Six independent directors namely Mr. Sanjay K. Asher, Mr. Kanaiyalal N. Atmaramani, Mr. Dara N. Damania, Mr.Shrikrishna N. Inamdar, Mr.Prabhakar D. Karandikar and Dr.Sunil U. Pathak being eligible and offering themselves, for appointment, are proposed to be appointed as Independent Directors to hold office for five consecutive years with effect from the date of thirty-third annual general meeting.

One executive director namely Mr. Sanjay S. Math retires at the thirty-third annual general meeting of the Company and being eligible, offer himself for re-appointment.

(vii) Brief resume of the directors being appointed and reappointed, nature of their expertise in specific functional areas and names of companies in which they hold directorships, memberships of the committees of the Board and the details of shares held in the Company are furnished hereunder:

Mr. Sanjay K. Asher, age 51 years, is a director of the Company since 4th February, 2012. Mr. Sanjay K. Asher, has been practising as a solicitor for a number of years on various matters including corporate laws. He is also a Director in the following companies, viz .: A. L. Movers Private Limited, A. L. Records Management Private Limited, Ashok Leyland Limited, Allied Pickfords India Private Limited, Bajaj Allianz General Insurance Company Limited, Bajaj Allianz Life Insurance Company Limited, Diamant Boart Marketing Private Limited, Enam Infrastructure Trusteeship Services Private Limited, Finolex Cables Limited, Finolex Plasson Industries Ltd., Finolex Industries Limited, Hoganas India Private Limited. ArjoHuntleigh Healthcare India Private Limited, Indian Cookery Private Limited, Innoventive Industries Limited, Kryfs Power Components Limited, Mandhana Industries Limited, Master Voss International Project Private Limited, Morgan Stanley Investment Management Private Limited, NV Advisory Services Private Limited, Orbit Electricals Private Limited, Oerlion Textile India Private Limited, Repro India Limited, Sanghvi Movers Limited, Sharp India Limited, Shree Renuka Sugars Limited, Siporex India Private Limited, Sudarshan Chemical Industries Limited, ValueQb Consulting Private Limited, Varun Maritime Private Limited, Varun Global Private Limited, Varun Resources Private Limited, J.B.Chemicals

and Pharmaceuticals Limited, Arch Protection Chemicals Private Limited, Kineco Kaman Composites India Private Limited, Lonza India Private Limited, Narendra Plastic Pvt. Limited, Team Relocations India Private Limited, Pallazzio Hotels & Leisure Limited, Vamona Developers Private Limited, Classic Mall Development Company Private Limited, Gangetic Hotels Private Limited, Offbeat Developers Private Limited, Alliance Hospitality Services Private Limited. Turning Point Estate Private Limited, Raipur Treasure Island Private Limited, Indore Treasure Island Private Limited, AKME Rhine River Projects Private Limited.

Mr.Sanjay K. Asher is not holding shares in the Company.

Mr. Kanaiyalal N. Atmaramani, age 76 years, is a director of the Company since 27th July, 2002. Mr. Atmaramani is a director of IL&FS Securities Services Limited and Finolex Industries Limited. He held various high ranking positions in the investment and finance fields. He was associated with UTI in various capacities for a period of seventeen years including Executive Trustee. Subsequently, he was with Tata Mutual Fund and retired as its Managing Director in February, 2002.

Mr.Kanaiylal N. Atmaramani is not holding shares in the Company.

Mr. Dara N. Damania, age 78 years, is a director of Company since 29th July, 2011. He is B.E. (Mech.) from College of Engineering, Pune. He joined Buckau Wolf India in the year 1957 as a Trainee Engineer. During his tenure from 1957 to the present date, he converted Buckau Wolf India (now the Company known as ThyssenKrupp Industries India Pvt. Limited, a Group Company of ThyssenKrupp Ag. Germany) from a single product company to a multi-product company.

Presently, he is Vice Chairman of ThyssenKrupp Industries India Pvt. Limited and ThyssenKrupp Group's Representative for India. He is also director of group companies of ThyssenKrupp and other public and private limited companies viz, ThyssenKrupp Industries India Private Limited, Thyssenkrupp Elevator (India) Pvt. Limited, Thyssenkrupp Engine Components India Pvt. Limited, Thyssenkrupp System Engineering India Pvt. Limited, Uhde India Private Limited, Berco Undercarriages (India) Private Limited, Finolex Industries Limited, KSB Pumps Limited, Sudarshan Chemical Industries Limited.

Mr. Dara N.Damania is holding 900 shares in the Company.

Mr. Shrikrishna N. Inamdar, age 69 years, is a director of the Company since 22nd March, 1989, is an eminent Advocate of repute practising on income tax side. Mr. Inamdar is director of the following companies viz. Kulkarni Power Tools, Kirloskar Ferrous Limited, Kirloskar Brothers Limited, Finolex Industries Limited, Sudarshan Chemical Industries Limited, The Ugar Sugar Works Limited, Apple Hospitals Research Institute Limited, Kirloskar Proprietary Limited, Sakal Papers Pvt. Limited and CMC Commutators Mfg. Co. Pvt. Limited.

Mr. Shrikrishna N.Inamdar is holding 2,000 shares in the Company.

Mr. Prabhakar D. Karandikar, age 65 years, is a director of the Company since 27th June, 2009. He is M.A., I.A.S. (Retd.), M.Sc. (London School of Economics) is the former divisional commissioner of Pune. He has been at the helm of affairs of various Government organizations and has held position of Secretary to Government of Maharashtra in various departments. He is also director of IL&FS Renewable Energy Limited, Shriram EPC Limited, Shriram Asset Management Committee Ltd, State Farms Corpn. of India Limited, Finolex

Industries Limited, Finolex Plasson Industries Ltd., Cabal Insurance Broking Services Pvt. Limited, BVG India Pvt. Limited and Rajasthan Olive Plantation Ltd.

Mr. Prabhakar D.Karandikar is not holding shares in the Company.

Dr. Sunil U. Pathak, age 63 years, is a director of the Company since 21st October, 2008. He is M.Sc., Ph.D., an eminent personality in the field of Income Tax and he held high ranking positions in the Income Tax Department, Government of India. He wrote a thesis on "Depreciation under Income Tax Act" for which he was awarded Ph.D degree by Pune University in 1995. After illustrious career of 24 years in IRS, he opted for voluntary retirement in the year 1997, and engaged in Income Tax Tribunal and Chamber consultation practice in Pune and Mumbai. He is also a member of the audit committee and investors' grievance committee of the Board. He is a director of Orbit Electricals Pvt. Limited and Finolex Industries Limited.

Dr. Sunil U. Pathak is holding 300 shares in the Company.

Mr. Sanjay S. Math, age 59 years, is a director of the Company since 4th February, 2012. He is B.E.(Chemicals), UDCT and PGDM, Mumbai. He is a member of American Institute of Chemical Engineering. He has rich working experience in various reputed projects and petrochemical plant operations. He worked in reputed organizations like National Organic Chemicals Industries Ltd., Bombay Dyeing & Mfg. Co. Ltd., Rama Petrochemicals Ltd., Essar Oil Ltd. and Soudi Yanbu Petrochemical Company (a public company of SABIC).

Mr. Sanjay S. Math is holding 3000 shares in the Company.

3. Code of conduct:

The Board has laid down the code of conduct for the Board and senior management team of the Company. The code is posted on www.finolex.com

The Board members and senior management team personnel have affirmed compliance with the code. The declaration dated 25th April, 2014 received from Mr.Saurabh S. Dhanorkar, Managing Director in this regard is given below:

"I hereby declare that all Board members of the Company and senior management personnel have affirmed compliance with the code of conduct for applicable period of the financial year 2013-2014."

4. Audit committee:

Brief description of terms of reference of the Audit Committee (the "Committee"):

- Oversight of Company's financial reporting process and the disclosure of its financial information;
- 2) Recommending the appointment/removal of external auditors and their remuneration;
- 3) Reviewing financial statements, adequacy of internal control systems and internal audit function, financial and risk management policies; and
- Pre-audit and post audit discussions with external auditors on nature and scope of audit and areas of concern, if any, respectively.

Composition, members' names and chairperson:

- As on 31st March, 2014, audit committee was consisting of 5 (five) independent directors viz. Mr.Kanaiyalal N. Atmaramani, Mr.Dara N. Damania, Mr.Shrikrishna N. Inamdar (Chairman of the Committee), Mr.Prabhakar D. Karandikar and Dr.Sunil U. Pathak.
- All members of the audit committee are financially literate and have accounting or related financial management expertise.
- Required information for review was placed before the audit committee meetings held during the year.

Meetings and attendance during the year: Details given in Table 1.

Mr. Umesh M. Gosavi, General Manager (Legal) & Company Secretary of the Company acts as secretary to the committee.

5. Remuneration committee (non-mandatory):

The Board at its meeting held on 27th October, 2012 has constituted a remuneration committee, inter alia, to determine and recommend the remuneration of the wholetime directors of the Company. Mr.Sanjay K. Asher, Mr.Kanaiylal N. Atmaramani, Mr.Dara N. Damania, Mr.Shrikrishna N. Inamdar (Chairman of the Committee), Mr.Prabhakar D.Karandikar and Dr.Sunil U. Pathak are the members of the remuneration committee. The remuneration committee is, inter alia, entrusted with the following terms of reference:

- To recommend to the Board the specific remuneration packages for executive directors within the applicable provisions of the Companies Act, 1956 including amendments and re-enactments thereof. The objective of such policy shall be to ensure that the executive directors of the Company are rewarded for their individual contributions to the overall growth of the Company;
- The Committee shall consider and recommend the remuneration and revision thereof
 of the executive directors after taking into consideration, inter alia, various factors,
 such as qualification, working experience, expertise in relevant field of the incumbent,
 comparative remuneration, profile with respect to the industry and the size of the
 Company, the recommendations made under listing agreements, profit for the year of
 the company and any other criteria as deemed and appropriate by the Committee.
- One meeting of the remuneration committee was held on 25th January, 2014. All Committee Members attended the meeting.

Independent auditors' report

To the members of Finolex Industries Limited

Report on the Financial Statements

We have audited the accompanying financial statements of Finolex Industries Limited, which comprise the Balance Sheet as at March 31st, 2014, the Profit and Loss Statement and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956(" the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31st, 2014;
- (b) in the case of the Profit and Loss Statement, of the profit for the year ended on that date; and
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2003 issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
- 2. As required by section 227(3) of the Act, we report that:
 - a. we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. the Balance Sheet, Profit and Loss Statement and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d. in our opinion, the Balance Sheet, Profit and Loss Statement, and Cash Flow Statement comply with the Accounting Standards referred to in subsection (3C) of section 211 of the Companies Act, 1956;
 - e. on the basis of written representations received from the directors as on March 31st, 2014, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31st, 2014, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.

Annexure to the auditors' report

Re: Finolex Industries Limited

Referred to in paragraph 1 under the heading, "Report on Other Legal and Regulatory Requirements" of our report on even date:

- (i) (a) The company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The fixed assets have been physically verified by the management during the current year based on the regular programme of verification which in our opinion is reasonable having regard to the size of the company and the nature of its assets. According to the information and explanations given to us, discrepancies noticed on physical verification were not material and have been properly dealt with in the books of account.
 - (c) The company has not disposed off substantial part of its fixed assets during the current year.
- (ii) (a) As explained to us, physical verification of inventory has been conducted by the management during the year. In our opinion, the interval of such verification is reasonable.
 - (b) In our opinion, the procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business.
 - (c) The company is maintaining proper records of inventory. Discrepancies noticed on physical verification were not material and have been properly dealt with in the books of account.
- (iii) (a) According to the information and explanations given to us, the company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the register maintained under section 301 of the Companies Act,1956. Accordingly, the provisions of clause 4 (iii) (b), (c) and (d) of the Order are not applicable to the company.
 - (e) According to the information and explanations given to us, the company has not taken any loans, secured or unsecured, from companies, firms or other parties covered in the register maintained under section 301 of the Companies Act, 1956. Accordingly, the provisions of clause 4 (iii) (f) and (g) of the Order are not applicable to the company.
- (iv) In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the company and the nature of its business, for the purchase of inventory and fixed assets and for the sale of goods and services. During the course of our audit we have not observed any major weaknesses or continuing failure to correct major weaknesses in internal control system.
- (v) (a) According to the information and explanations given to us, the particulars of contracts or arrangements referred to in section 301 of the Companies Act, 1956 have been entered in the register required to be maintained under that section.
 - (b) In our opinion and according to the information and explanations given to us by the

management, the transactions made in pursuance of such contracts or arrangements have been made at prices which are reasonable having regard to the prevailing market prices at the relevant time.

- (vi) In our opinion and according to the information and explanations given to us, the company has not accepted any deposits from the public, hence the provisions of sections 58A, 58AA or any other relevant provisions of the Act and the rules framed thereunder and the directives issued by the Reserve Bank of India are not applicable to the company.
- (vii) In our opinion, the company has an internal audit system commensurate with its size and nature of its business.
- (viii) We have broadly reviewed the books of account relating to materials, labour and other items of cost maintained by the company pursuant to the rules made by the Central Government for the maintenance of cost records under section 209 (1) (d) of the Companies Act, 1956 and we are of the opinion that prima facie the prescribed accounts and records have been made and maintained. We have not however made a detailed examination of records with a view to determine whether they are accurate and complete.
- (ix) (a) The company is regular in depositing undisputed statutory dues including Provident Fund, Investor Education and Protection Fund, Employees' State Insurance, Incometax, Sales-tax, Wealth Tax, Service Tax, Custom Duty, Excise Duty, cess and other material statutory dues applicable to it with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of statutory dues were in arrears, as at March 31st, 2014, for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us, dues of income tax, sales tax, wealth tax, service tax, custom duty, excise duty and cess which have not been deposited on account of any dispute are mentioned below:

Name of the Statute	Nature of Dues	Amount (in lakhs)	Period to which the amount relates	Forum where dispute is pending
Customs Act, 1962	Customs Duty	26.94	2000-01, 2004-05	CESTAT
Customs Act, 1962	Customs Duty	1,170.55	2013-14	Commissioner (Appeals)
Central Excise Act, 1944	Excise Duty	29.67	2005-06,2010-11,2012-13	CESTAT
Central Excise Act, 1944	Excise Duty	181.85 4.62	2008-09, 2012-13 & 2013-14 2012-13	Additional Commissioner Assistant Commissioner (Appeals)
		2,688.82	1998-99, 2006 to 2008, 2011-12	Commissioner
		43.32	2005-06, 2008-09, 2011-12	Deputy Commissioner
Central Excise Act, 1944	Excise Duty	40.44	1996-97, 1999-2000	High Court
Finance Act, 1994	Service Tax	26.76	2007-08, 2010-11	CESTAT
Finance Act, 1994	Service Tax	742.72	2001-02, 2006 to 2009, 2010-11	Commissioner
		29.15	2007 to 2011	Deputy Commissioner
Finance Act, 1994	Service Tax	489.12	2005-06	High Court
Sales Tax	CST & VAT	2,422.32	2005-06, 2008-09	Bombay Tribunal

- (x) The company has no accumulated losses at the end of March 31st, 2014. The company has not incurred cash losses in the current financial year and in the immediately preceding financial year.
- (xi) Based on our audit procedures and according to the information and explanations given to us by the management, we are of the opinion that the company has not defaulted in repayment of dues to financial institution or bank and debenture holders.
- (xii) According to the information and explanations given to us the company has not granted loans and advances on the basis of security by way of pledge of shares, debentures and other securities.
- (xiii) In our opinion, the company is not a chit fund, nidhi, mutual benefit fund or society and thus the provisions of clause 4 (xiii) (a), (b), (c) and (d) of the Order are not applicable to the company.
- (xiv) (a) Based on the records examined by us and according to the information and explanations given to us, we are of the opinion that the company is maintaining proper records of the transactions and contracts of dealing in shares and securities and timely entries have been made therein.
 - (b) According to the information and explanations given to us, the shares and securities have been held by the company in its own name.
- (xv) According to the information and explanations given to us, the company has not given any guarantee for loans taken by others from bank or financial institutions.
- (xvi) According to the information and explanations given to us by the management, term loans availed by the company were, prima facie applied for the purpose for which the loans were obtained.
- (xvii) According to the information and explanations given to us and on an examination of the financial statements of the company, on an overall basis, the funds raised on short-term basis have, prima facie, not been used for long-term investment.
- (xviii) The company has not made any preferential allotment of shares to parties and companies covered in the Register maintained under section 301 of the Companies Act, 1956.
- (xix) According to the information and explanations given to us, security or charge has been created in respect of the debentures issued.
- (xx) According to the information and explanations given to us, the company has not raised money by any public issue during the current year.
- (xxi) Based upon the audit procedures performed by us and according to the information and explanations given to us, no fraud on or by the company has been noticed or reported during the year.

Terms/ Rights attached to equity shares:

The Company has only class of equity shares having a par value of ₹ 10 per share. Each holder of the equity shares is entitled to one vote per share. The Company declares and pays dividend in Indian Rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting. During the year ended March 31, 2014, the amount of per share dividend recognised as distributed to equity shareholders was ₹ 7 (March 31, 2013 ₹ 5.50).

In the event of liquidation of the company, the holders of equity shares are entitled to receive remaining assets of the company after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

Notes forming part of the financial statements

Note 1 Significant accounting policies

i) Basis of preparation:

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006, (as amended) and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared under the historical cost convention on an accrual basis. The accounting policies adopted in the preparation of financial statements are consistent with those of the previous year.

ii) Use of estimates:

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, current assets, non-current assets, current liabilities and non-current liabilities and the disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

iii) Valuation of inventories:

Inventories are valued at lower of cost and net realizable value.Cost is determined on moving weighted average method. Cost of semi-finished and finished goods comprises of materials, conversion cost, other cost incurred in bringing the inventories to their present location and condition and excise duty wherever applicable.

iv) Cash and cash equivalents:

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short term, highly liquid investments that are readily convertible into known amounts of cash which are subject to an insignificant risk of changes in value.

v) Depreciation:

Depreciation is provided on Straight-Line Method at the rates and in the manner specified in Schedule XIV to the Companies Act, 1956.

Amortisation is provided in respect of leasehold land over the period of lease.

vi) Revenue recognition:

Revenue is recognized to the extent it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. Sale of goods is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer.

Where the ability to assess the ultimate collection with reasonable certainty is lacking at the time of raising any claim, revenue recognition is postponed to the extent of uncertainty involved. In such cases revenue is recognized only when it is reasonably certain that the ultimate collection will be made.

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend from investments is not recognized in the profit and loss statement until a right to receive payment is established in the reporting period.

vii) Fixed assets:

Fixed Assets are stated at cost of acquisition or construction less accumulated depreciation. Attributable finance costs and expenses of bringing the respective assets to working condition for their intended use are capitalised. Borrowing costs that are directly attributable to the acquisition or production of a qualifying asset are capitalised as part of the cost of those assets. Other borrowing costs are recognised as expense in the period in which they are incurred.

viii) Foreign currency transactions:

Initial recognition: A foreign currency transaction is recorded on initial recognition in the reporting currency by applying to the foreign currency amount, the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

<u>Conversion:</u> At the year end, monetary items denominated in foreign currencies are converted into rupee equivalents at the year-end exchange rates.

Exchange differences: All exchange differences arising on settlement/conversion on foreign currency transactions are included in the Profit and Loss Statement.

In accordance with MCA notification on Accounting Standard 11 (AS 11), in respect of long term foreign currency loan taken for acquisition of assets, the exchange difference arising on reporting of said loan is adjusted to the cost of the respective assets.

Forward exchange contracts: The Company uses foreign exchange forward contracts and options to hedge its risks associated with foreign currency fluctuations.

Forward contracts/options entered into to hedge foreign currency risk on underlying liabilities are accounted as per Accounting Standard 11, "The Effects of changes in Foreign Exchange Rates". The premium arising at the inception of such forward contracts/options is amortised as expense over the life of the contract. Gains and losses arising on account of roll over/cancellation of forward contracts are recognised as income/ expense of the period in which such roll over/cancellation takes place.

Forward contracts/options entered into to hedge foreign currency risk on unexecuted firm commitments are accounted, keeping in view the principle of prudence as enunciated in AS 1, "Disclosure of Accounting Policies"; in pursuance of the announcement of the ICAI dated March 29, 2008 on Accounting for Derivative Losses.

ix) Valuation of investments:

Investments that are readily realizable and intended to be held for not more than a year from the date on which such investment is made are classified as current investments. All other investments are classified as long-term investments.

Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of such investments.

x) Employee benefits:

I. Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the services are classified as short term employee benefits. Benefits such as salaries, wages, expected cost of bonus and short term compensated absences, etc. is recognized in the period in which the employee renders the related service.

II. Post-employment benefits

a) Defined contribution plans

The Company's superannuation scheme, state governed provident fund and employee state insurance scheme are defined contribution plans. The contribution paid/payable under the scheme is recognized during the period in which the employee renders the related service.

b) Defined benefit plans

The employees' gratuity fund scheme is the Company's defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan, is based on the market yields on Government securities as at the balance sheet date, having maturity periods approximating to the terms of related obligations. Actuarial gains and losses are recognized immediately in the Profit & Loss Statement. The fair value of the defined benefit plan is recognized, when the curtailment or settlement of the defined benefit plan is recognized, when the curtailment or settlement occurs. Past service cost is recognized as expenses on a straight-line basis over the average period until the benefits become vested.

III. Long term employee benefits

The obligation of long term compensated absences are recognized in the same manner as in the case of defined benefit plans as mentioned in note II (b) above. Accumulated leaves that are expected to be utilized within the next 12 months are treated as short term employee benefits.

xi) Segment accounting:

The Company's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Unallocable items

Unallocable items include general corporate income and expense items which are not allocated to any business segment.

Inter-segment

Segment revenue from inter-segment transactions is accounted on the basis of transfer price agreed between the segments.

Segment accounting policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

xii) Accounting for leases:

Assets given on lease where significant portion of risk and rewards incidental to the ownership is retained are classified as 'Operating lease'. Lease rentals are recognised on straight line basis over the lease term.

xiii) Earnings per share:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity Shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

xiv) Taxes on income:

Tax on income for the current period is determined on the basis of taxable income after considering the various deductions available under The Income Tax Act, 1961.

Deferred tax is recognized on timing differences between the accounting income and the taxable income for the year. The tax effect is calculated on the accountlated timing differences at the end of the accounting period based on prevailing enacted or substantively enacted regulations.

Deferred tax liabilities are recognized for all timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. At each reporting date the company reassesses the unrecognized deferred tax assets and reviews the deferred tax assets recognized.

xv) Intangible assets:

Intangible Assets are amortised over the useful life of the assets on SLM method.

Research and development costs are expensed out as and when incurred, except for development costs which relate to the design and testing of new or improved material, products or processes which are recognized as an asset, when it is expected that such assets will generate future economic benefits.

xvi) Impairment policy:

The company assesses at each balance sheet date whether there is any indication that an asset or cash generating unit (CGU) may be impaired. If any such indication exists, the company estimates the recoverable amount of the asset. The recoverable amount is the higher of an asset's or CGU's net selling price or its value in use. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

xvii) Provisions:

A provision is recognized when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

xviii) Contingent liability:

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the

Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements.

1.1) Terms of borrowings:

Terms of debenture

500 privately placed 9.50% secured redeemable non-convertible debentures of ₹ 10 lakhs each, aggregating to ₹ 5,000 lakhs ("9.50% NCDs") will be redeemed in three instalments commencing at the end of 3rd, 4th and 5th year from the date of allotment i.e. 21^{st} September, 2009 in the ratio of 3:3:4.

1,000 privately placed 10.90 % secured redeemable non-convertible debentures of ₹ 10 lakhs each, aggregating to ₹ 10,000 lakhs ("10.90% NCDs") will be redeemed in 3 years bullet from the date of allotment i.e. 31st December, 2013

Terms of loan repayment

The term loan from Central Bank of India amounting to ₹ 10,000 lakhs was availed in the financial year 2011-12 and carried interest at the rate of 11.75% p.a. The loan is repayable in 3 equal annual instalments from the date of disbursement.

The term loan from Bank of Maharashtra amounting to ₹ 5,000 lakhs was availed in the financial year 2012-13 at the interest rate of Base Rate + 0.75% repayable in 12 quarterly instalment starting from January, 2015.

The term loan from Citibank NA amounting to ₹10,000 lakhs was availed in the financial year 2012-2013 at the interest rate of 10.75% p.a. will be repayable in 1 year bullet from date of drawdown.

Nature of security for secured borrowings and working capital:

Debentures

(a) The outstanding amount payable on 9.50% NCDs of ₹ 5,000 lakhs with the interest accrued there on but unpaid and all other costs, charges, expenses and fees payable to the debenture trustees namely Axis Trustee Services Limited ("ATSL") secured under the Debenture Trust Deed dated 5th March, 2010 have been secured by creation of English mortgage on pari passu basis in favour of ATSL on the Company's immovable properties situated at 1B, 1st Floor, Mahakant Building, Ellisbridge, Ahmedabad in the State of Gujarat.

The said 9.50% NCDs are further secured by equitable mortgage created in favour of the ATSL on pari passu basis by depositing with Axis Bank Limited, New Delhi ("ABL"), ABL acting for itself and as an agent of ATSL all the documents of title, evidences, title deeds and writings in respect of immovable properties falling within the battery limit of the site of the Company's plant for manufacture of PVC Resin, situate at Village Golap, District Ratnagiri in the State of Maharashtra together with all buildings and structures thereon and all plants and machinery attached to the earth or permanently fastened to anything attached to the earth.

(b) The outstanding amount payable on 10.90% NCDs of ₹ 10,000 lakhs with the interest accrued there on but unpaid and all other costs, charges, expenses and fees payable to the debenture trustees namely Axis Trustee Services Limited ("ATSL") secured under the Debenture Trust Deed dated 31st March, 2014 and creation of simple mortgage on pari passu basis in favour of ATSL on immoveable properties of the Company falling within the battery limit of the site of the Company's plant for manufacture of PVC Resin, situate at Village Golap, District Ratnagiri in the State of Maharashtra together with all buildings and structures thereon and all plants and machinery attached to the earth or permanently fastened to anything attached to the earth.

Term Loans:

Retirement	58 years	58 years
The company expects to contribute Rs 61,36,300 in the financial year 14-15 tow	ards funding of the	gratuity plan

Basis used to determine the overall expected return:

Life Insurance Corporation of India (LIC) manages the investments of Employee Gratuity Scheme. Expected rate of return on investments is determined based on the assessment made by the LIC at the beginning of the year on the return expected on its existing portfolio, along with the estimated incremental investments to be made during the year. Yield on the portfolio is calculated based on a suitable mark-up over the benchmark Government securities of similar maturities.

Broad categories of plan assets as a percentage of total plan assets.		
		Percentage
Particulars	2013-14	2012-13
Central Government securities	23.86	23.86

Grand total	100	100

The estimates of future salary increase considered in actuarial valuation take into account inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market. General descriptions of defined plans:

Gratuity plan:

The Company operates gratuity plan wherein every employee is entitled to the benefit equivalent to fifteen days salary last drawn for each completed year of service. The same is payable on termination of service or retirement whichever is earlier. The benefit vests after five years of continuous service.

1.12 Segment reporting:

Primary segment

Based on the guiding principle given in the Accounting Standard-17 "Segment Reporting" issued by the Institute of Chartered Accountants of India, the Company's primary segments are PolyVinyl Chloride (PVC), Pipes & fittings and Power.

The above business segments have been identified considering :

- i) The nature of the products
- ii) The related risks and returns
- iii) The internal financial reporting systems

Revenue and expenses have been accounted for on the basis of their relationship to the operating activities of the segment. Revenue and expenses, which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis, have been included under "Unallocable expenses". Assets and liabilities which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis, have been included under "Unallocable on a reasonable basis, have been included under "Unallocable assets / liabilities".

In the opinion of the Board, they fulfill the conditions specified in the Companies Act, 2013 and Rules made thereunder for their appointment as independent directors of the Company and are independent of the management.

Copies of the draft letters for their appointment as an independent director setting out the terms and conditions would be available for inspection without any fee by the members at the Registered Office of the Company during normal business hours on any working day, excluding Saturday upto and including the day of the annual general meeting.

The Board considers that their continued association would be of immense benefit to the Company and it is desirable to continue to avail services of these directors as independent directors. Accordingly, the Board recommends the resolutions set forth in item nos. 6 to 11 for the approval by the members of the Company.

Except the above referred independent directors, being appointees and their relatives, no director, key managerial personnel of the Company or their relatives, is interested or concerned in these resolutions.

Item Nos. 12 & 13

Pursuant to the erstwhile provisions of section 293(1)(a) and 293(1)(d) of the Companies Act, 1956, members have approved the ordinary resolution at the annual general meeting held on 29th June, 2006 as follows;

- (i) For borrowing monies on behalf of the Company (apart from temporary loans obtained or to be obtained from the Company's bankers in the ordinary course of business) in excess of the aggregate of the paid up capital of the Company and its free reserves, subject to the total outstanding amount so borrowed not exceeding a sum of ₹ 2,000 crore at any point of time; and
- (ii) For creation of a mortgage or charge for the said borrowings, as security by way of mortgage/ hypothecation on the Company's assets in favour of lending agencies and trustees for the amounts borrowed i.e. upto ₹ 2,000 crore, including interest, charges, etc. payable thereon.

Pursuant to the provisions of section 180 of the Companies Act, 2013 read with the Rules made there under, the above powers of the Board are required to be exercised only with the consent of the Company by a special resolution.

The approval of the members pursuant section 180(1)(a) and 180(1)(c) of the Companies Act, 2013 is, therefore, now being sought, by way of a special resolution.

Further pursuant to section 110 of the Companies Act, 2013 read with Companies (Management and Administration) Rules, 2014, a special resolution under section 180(1)(a) is required to be passed by means of postal ballot which includes e-voting as aforesaid.

The Board recommends the resolutions set forth in item nos.12 and 13 for the approval of the members.

No director, key managerial personnel of the Company or relatives of directors and key managerial personnel, is interested or concerned in these resolutions.

Item No. 14

Pursuant to the provisions of section 42 of the Companies Act, 2013 read with the Rules made thereunder, a company offering or making an invitation to subscribe to Non-Convertible Debentures ("NCDs") on a private placement basis, the prior approval of the members by way of a special resolution is required. Such an approval by way of special resolution can be obtained once a year for all the proposed offers and invitations for such NCDs.

The approval of the members is being sought by way of a special resolution under sections 42 and 71 of the Companies Act 2013 read with the Rules made there under, to enable the Company to offer or invite subscriptions for NCDs on a private placement basis, in one or more tranches, during the period of one year from the date of passing of the resolution at item no. 14, within the overall borrowing limits of the Company, as approved by the members from time to time.

The Board recommends the resolution set forth in item no. 14 for the approval of the members.

No director, key managerial personnel of the Company or relatives of directors and key managerial personnel, is interested or concerned in this resolution.

Item No. 15

The members of the Company at their 31st annual general meeting held on 11th August, 2012 approved by way of a special resolution passed under section 198, 309, 310 and other applicable provisions, if any, of the Companies Act, 1956, the payment of remuneration by way of commission to the non-executive directors of the Company, of a sum not exceeding one percent per annum of the net profits of the Company, calculated in accordance with the provisions of the Companies Act, 1956, for a period of five years.

Pursuant to the provisions of sections 149, 197 and any other relevant provisions of the Companies Act, 2013 and taking into account the roles and responsibilities of the directors, it is proposed that the Directors other than managing director and the wholetime directors be paid for each financial year of the Company commencing from 1st April, 2014, remuneration not exceeding one percent per annum of the net profits of the Company computed in accordance with the provisions of the Companies Act, 2013. None of the Director shall receive individually a sum exceeding ₹ 10,00,000/- (Rupees ten lakhs only) in a financial year. This remuneration by way of commission will be distributed amongst all or some of the directors as approved by the Board of Directors from time to time and subject to any other applicable requirements under the Companies Act, 2013.

This remuneration shall be in addition to fee payable to the directors for attending the meetings of the Board or any Committee thereof and reimbursement of expenses for participation in the Board and other meetings.

Accordingly, an approval of the members is sought by way of a special resolution under the applicable provisions of the Companies Act, 2013 for payment of remuneration by way of commission to the directors of the Company other than managing director and wholetime directors, as set out in the resolution at item no. 15 of the notice.

The Board recommends the resolution set forth in item no. 15 for the approval of the members.

The managing director, wholetime directors and key managerial personnel of the Company and their relatives are not concerned or interested, financially or otherwise, in this resolution set out at item no. 15 of the notice. Non executive independent directors of the Company may be deemed to be concerned or interested in these resolutions to the extent of the remuneration by way of commision that may be received by them.

By Order of the Board of Directors For Finolex Industries Limited

Pune 12th May, 2014 Umesh M. Gosavi General Manager (Legal) & Company Secretary
